

Worship Council

What is Worship Council?

Worship Council is led by Mrs Mutarah and is a group of children from Years 2 - 6. We meet regularly and share our religious views with one another in a supportive, caring and inclusive environment. Whilst sharing our views, we respect each other's Religious beliefs and opinions.

What do we do?

We work together to help promote our core Christian Values, with the aim of making a difference both to the school and the Wider Community.

Throughout the past 2 years we have developed roles within the worship team and review the worship areas, select appropriate songs for children to practise, invite visitors to deliver worship, deliver child led worship and collect worship feedback.

We have also supported with the Harvest, Christmas and Easter Service's.

Together we help everyone and follow our school motto;

'With God's help we can reach for the stars'

If you would like to find out more then, speak to your class representative or pop in to one of our meetings.

Thanks! The Worship Team
